All export files will be sent to PSU in zip format. All files sent to PSU should be zipped into one file. The naming convention of the file should be IUxx_date zip where ‘xx’ is equal to the IU number and ‘date’ is equal to the date the file was sent.

The student file due July 9, 2007 will be a revised December 1 count to include children who were missed in December (and should have been in the count), exit information with a date prior to 12/1/2006 for those students who should be deleted from the December count and gifted students not included in the December 1 count.

At the request of each Intermediate Unit, PSU will send each IU a copy of the final file they sent to PSU in January after all data has been checked and verified. The file will be in Excel format.

***** Once student record files from all IUs have passed all edit checks by PSU, each IU will receive an Excel spreadsheet, via email, listing students in their export file that have the same Last Name, First Name, and Birth Date as students in other IU files. Contained in the email will be instructions on how to resolve these duplicates and a deadline.**
